We would like to talk to you about any work you have done in the time since [the
date of your last interview/your 14th birthday], that is, since [last interview
date/(date of 14th birthday)]. In answering these questions, please tell us
about any paid employment you had, or any work you did for a family business
(whether or not you were paid). While we discuss these jobs, I will be marking
some information about these jobs on this calendar. I will start by marking the
time period which I want to discuss with you.

(INTERVIEWER: DRAW A VERTICAL LINE THROUGH THE WHOLE CALENDAR IN THE CURRENT
MONTH. ALSO DRAW A VERTICAL LINE THROUGH THE CALENDAR [last interview date/(date
of 14th birthday)]. LABEL THIS AS [date of last interview/14th birthday].)

We are going to discuss two sorts of jobs with you. We'll call one type working
as a freelancer or being self-employed: that is doing one or a few tasks for
several people and not having a "boss" (for example, babysitting or mowing
lawns) or working for yourself (for example, running a business).

We'll refer to the second type as working as an employee: that is you had an
on-going relationship with a particular employer (for example, working in a
supermarket or restaurant, or being in the military). FIRST we will be asking
ONLY about jobs on which you were working as an employee. Later we will ask
about jobs on which you were working as a freelancer.

As you may remember, the last time we talked, we separated your employment into
two categories: jobs as an employee and freelance jobs. Jobs as an employee
included all jobs where you had an ongoing relationship with one employer -
let's say in a store, factory, or office. Freelance or self-employed jobs are
where you own your own business (for example, a lawn service) or where you do
the same type of task for many different people (designing web sites, for
instance). In self-employed jobs, you are your own boss. This year, in order to
streamline this section, we want to ask you about both types of jobs at the same
time.

We'll start by making a list of all jobs you've held since we last talked. I'll
first ask you about any jobs you reported having the last time we talked, and
then we'll talk about new jobs you've held since that time. Please include all
jobs where you were working for a particular employer (including working in a
family business) as well as jobs where you were self-employed.
